"'Monumentum' has in view to express the purpose of ICOMOS and the ideals inspiring it. It presents itself as the instrument to voice our aims and programmes and, at the same time, it may lead to a better understanding both of the universal value represented by the patrimony of monuments and of the culture reflected in this patrimony".

Piero Gazzola, President of ICOMOS, 1967

"'Monumentum' se propose d'exprimer la nature même de l'ICOMOS et les idéaux qui l'inspirent. Il se présente ainsi comme l'instrument de diffusion de nos buts et de nos programmes et, en même temps, comme un moyen d'élargir la compréhension de la valeur universelle du patrimoine monumental et de la culture qui en est le reflet".

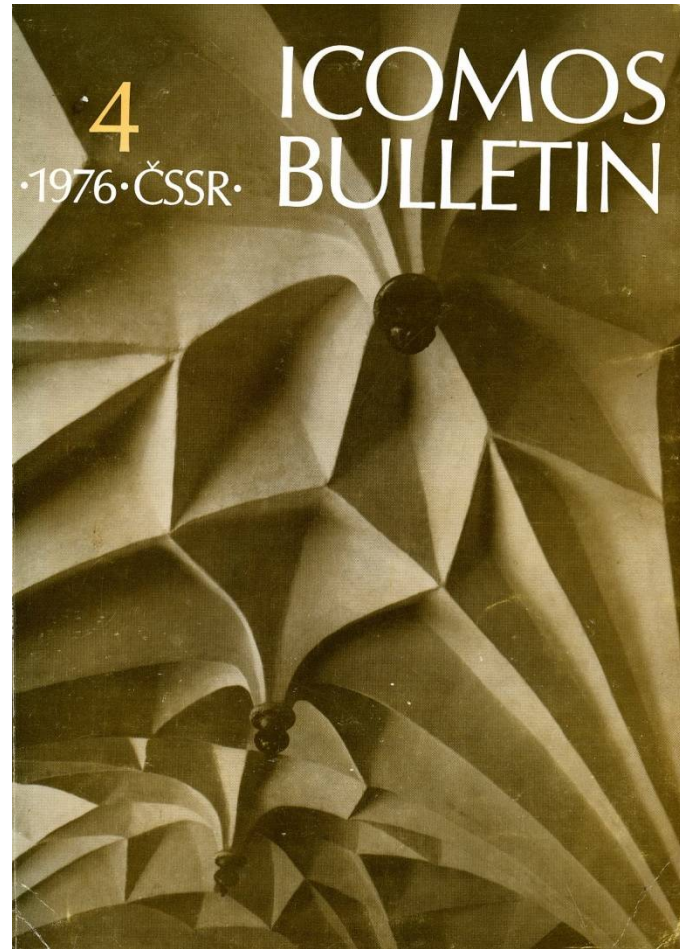

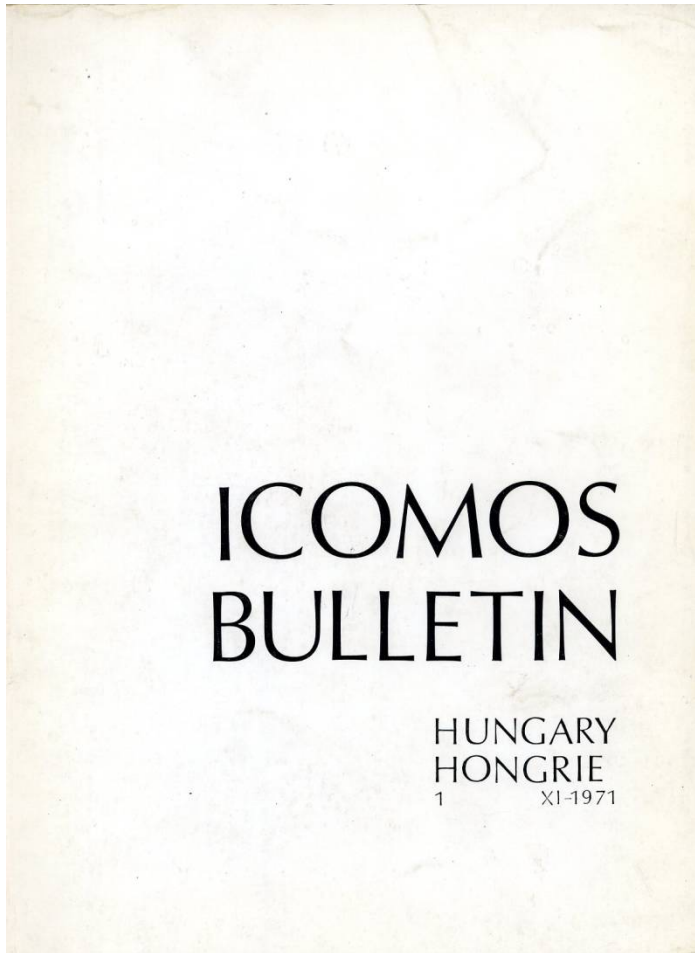

Piero Gazzola, Président de l'ICOMOS, 1967
