

European Federation of Associations of Industrial and Technical Heritage

Vision

- E-FAITH is an open European community of voluntary organisations and volunteers, dedicated to cooperation in the field of industrial and technical heritage.

Mission of E-FAITH

- Promoting volunteer involvement and the establishment of independent volunteer NGOs throughout Europe, devoted to researching, safeguarding, interpreting and opening to the public our industrial and technical heritage.
- Connecting volunteers and their organisations to facilitate cooperation and the sharing of experiences and knowledge in the field of industrial and technical heritage

Memorandum

- The European Industrial Heritage Organisations hereby request the Council of Europe, the European Union, the member states, and the International organisations active in the fields of studying, preserving and increasing public appreciation of Heritage:
